

ONYX STAGES // MOBILE PRODUCTION RIG

OnyxStages.com • Turnkey 8.5' × 24' Blackout Stage Fleet • \$56,000 Capitalization (Turnkey)

CAPITAL ASK	YEAR 1 NET	PAYBACK DAYS	YEAR 3 (3 RIGS)
\$56,000	\$60,000	20 DAYS	\$405,000

Executive Summary: This venture acquires and deploys commercial **SLE 8.5' × 24' Custom Blackout Stage Trailers (SKU: CustStage-34619)**. The rig features motorized stage/ramp winches, 18' armless awning, 8' flat interior, white insulated walls, RTP rubber flooring, dual stairs, Behringer sound with stage wedge monitors, 75" 4K screen, and 0 dB silent lithium battery power.

+1 Trailer/Year Fleet Expansion: We purchase 1 new stage trailer each year (Year 1: 1 Rig • Year 2: 2 Rigs • Year 3: 3 Rigs). Operations scale from an owner-operator in Year 1 to a dedicated team (Logistics Manager, 3 Lead Drivers/Sound Engineers, and Staging Crew), generating **\$405,000 gross revenue and \$155,000 free cash flow** by Year 3.

01 // COMPETITIVE MARKET COMPS & COST MATRIX

Event organizers overpay \$8.7k–\$12.6k for oversized hydraulic stages or spend \$3.6k–\$5.1k coordinating separate vendors. Our turnkey rig captures the profitable middle tier at **\$2,750 / day**.
