PROCUREMENT & OPERATIONAL ADVANTAGES:

- **Direct Wholesale Sourcing:** Sourcing directly from Sweetwater, Anker Official, Home Depot, and Walmart bypasses 35%–45% third-party AV dealer markups.
- **0 dB Sound Advantage:** Anker SOLIX battery architecture eliminates generator drone and exhaust fumes, unlocking silent residential, vineyard, and downtown city bookings.
- **Fast Payoff Velocity:** At an average turnkey day rate of \$2,750, the entire \$49,000 capital expenditure is fully paid off within 18 completed bookings.
